

TRAVEL INSURANCE ~ For Coach Holiday Packages Only:

A Special Coach Holiday Travel Insurance scheme is available for passengers travelling on any of our Coach Holidays. This is arranged through Holiday Extras Travel Insurance and is underwritten by AWP P&C SA and administered in the UK by Allianz Global Assistance. Allianz Global Assistance is a trading name of AWP Assistance UK. Holiday Extras Limited and AWP Assistance UK are authorized and regulated by the Financial Conduct Authority.

Demands & Needs Statement:

Holiday Extras Travel Insurance is typically suitable for coach travel customers who wish to insure themselves for medical emergencies, delayed or missed departures, cancellation of/cutting short a trip, lost, stolen or delayed possessions, loss of money and passport, personal accident, personal liability and legal expenses.

The levels of cover may vary depending on where you travel (whether in you're the UK or overseas).

Travel Insurance does not cover everything. You should read the policy carefully to make sure it provides the cover you need.

You may already possess alternative insurance for some or all of the features and benefits provided by this travel insurance product, it is your responsibility to investigate this. Holiday Extras Limited & Ellen Smith Tours Limited have not provided you with any recommendation or advice about whether this product meets your specific insurance requirements.

You will not have to pay an excess if the extra premium has been paid for excess waiver and this is shown on your policy schedule.

How Your Policy Works:

Your policy and policy schedule is a contract between you and Holiday Extras. Holiday Extras will pay for any claim you make which is covered by the policy and happens during the period of insurance. Unless specifically mentioned, the benefits and exclusions within each section apply to each person insured.

Certain words have a special meaning as shown under the heading ‘Definition of Words’. These words have been highlighted by the use of bold print throughout the policy document.
